Berry appointed deputy - Royce Miller councillor

Anson, Hindon and Minden Council has named Bern Berry to the position of Deputy-Reeve of the municipality and has appointed Royce Miller as Councillor.

Berry, who topped the polls in seeking a seat as councillor in the November 12 election, was the unanimous choice of council to fill the deputy-reeve seat vacated when Brendan Berube announced he would not serve in the position.

Berube defeated the incumbent deputy-reeve, Ed Pergolas, in a two way race, but following the election announced he would not serve because of a possible conflict of interest. Berube is employed by the Ministry of Natural Resources as a planner.

Following the swearing in ceremony at the inaugural meeting of council on Thursday, December 5, Reeve Sinc Nesbitt announced the council would be going into a committee of the whole to decide on a method of filling the vacancy.

Acting under the guidelines of the Municipal Act Council had two options. They could have called a by-election or select a member of council to fill the deputy-reeve position or select a member of council to fill the deputy-reeve position then appoint someone from the community to serve in the vacated councillor's seat.

In an interview with The Times on Monday, Reeve Nesbitt said council met until 10:30 Thursday evening then the committee of the whole was reconvened Friday morning and council appointed Bern Berry as the deputy-reeve and agreed unanimously to the appointment of Royce Miller as councillor.

Council chose not to call a by-election because they felt the public would have to choose between candidates who had run for office and been defeated, Nesbitt said. "It all seemed common sense to us. We had to chose. That's what we were put there for," he commented.

In arriving at a choice for councillor, Nesbitt said each member of the council prepared a list of candidates they thought were eligible to serve, then discussed their choices during the two closed sessions before reaching a decision. Miller had been considered for the position because he had indicated an interest in running for council, but had not submitted nomination papers because of a possible conflict of interest, which has since been resolved, the reeve commented.

Nesbitt also noted Miller's work experience while employed at the registry office will prove valuable as council deals with zoning matters such as the Official Plan.

Royce Miller, a Minden native, joined Bishop and Wilson after completing his academic stu[illegible] at Haliburton Highlands Secondary School and was employed by the land surveyors for six years. During that time he qualified as a Survey Technician Two.

In 1979 he was hired by the Ministry of Consumer and Commercial Relations and began working in the Land Registry Office in Minden.

Miller told The Times he had taken out nomination papers during the election campaign, but realizing there might be a conflict of interest because of his position at the registry office, decided not to run. He also realized he would have difficulty attending the day meetings of council while employed by the ministry, he said.

Since rejoining Bishop and Wilson, after the election, Miller said he is now free to serve on council and is looking foward to his term as councillor.

Sandra Valentine steps down as Victoria trustee

Sandra Valentine, elected school board trustee in the municipality of Laxton, Digby and Longford, has notified the Victoria County Board of Education she will not accept the position. Mrs. Valentine of Moore Falls, in Lutterworth Township, garnered 242 of a total 437 votes cast in the November election to defeat three other candidates.

Although there has been no official protest of Mrs. Valentine's election, questions have been raised over her eligibility to serve on the board in terms of her residency status.

On Tuesday, December 3, Laxton, Digby and Longford clerk-treasurer Vern LeCraw said that although there had been an "unofficial enquiry by persons unknown" into the candidates' eligibility following her win, there had been no official protest of her election and that as the chief returning officer he had signed documents confirming her election.

He noted however, there was some question regarding the definition of the term "resident" under the Education Act, and that he was awaiting directives from the Ministry of Education.

On Monday, December 9 Mrs. Valentine confirmed there still had been no official protest of her election. She told The Times

High water boosts Buckslide bridge bill

Stanhope Municipal council has requested a subsidy from the Ministry of Transportation and Communications to cover a portion of a $25,000 over-expenditure on the expansion of the Buckslide bridge.

The consulting firm of Totten Sims and Hubicki carried out a study of the single lane bridge during the summer and reported the widening of the concrete structure would cost $83,000. The township applied for, and received a supplementary subsidy from the MTC of $47,900 based on the estimated costs put forward by the consultants.

After advertising for tenders, the township received only one (of $103,000), and subsequently Council decided the township should undertake the project employing local workers under the supervision of Carl Cowden, a retired construction supervisor formerly employed by the Regional Municipality of Sudbury.

The construction project, begun in mid-September, involved the widening of the bridge to accommodate two lanes of traffic, resurfacing the deck and installing guardrails.

In commenting on the project at the inaugural meeting of Council on Wednesday, December 4, Reeve Harry Davis emphasised there had been no criticism of the work carried out by the local workers. The cost overruns were mainly a result of high water levels that slowed construction, he said.

He told Council, the township had asked Parks Canada, the federal agency that administers the Trent Severn Waterways, to place stop logs in the dam which forms part of the structure of the bridge to lower the

Senior League writer passes

The Times and its readers lost a close and dear friend last week in the passing of Mr. Bert Harrison.

The author of the weekly column "Senior League" died December 3 at the Minden Hospital.

Each week, Mr. Harrison would provide this newspaper with his entertaining reports on the comings and goings at the county's senior citizen home, Hyland Crest.

His unique writing style endeared him to many of our readers. He always wrote his column in a rhyming format, often creating an interesting turn of phrase and, at times, stretching the rules of grammar and sentence structure to the limit, to achieve the desired effect.

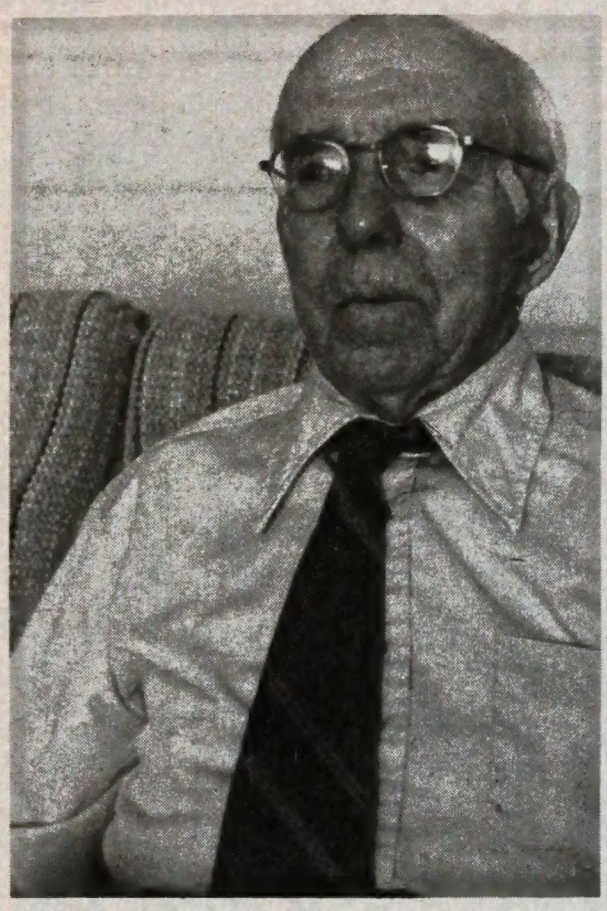
While most of his writings dealt with activities at Hyland Crest, he often commented on the passing scene outside the home, locally or of the world in general. And his column always closed with a brief poem or quotation which contained a nugget of useful advice for all readers.

Mr. Harrison's following extended far beyond the residents of the home and their friends and family. Many subscribers in the urban areas would comment on how much they enjoyed his column, even though they were unlikely to know the author or the people and events about which he wrote. It was the personal, hometown touches which pervaded his writing which seemed to attract them the most.

We at The Times will certainly miss his weekly contribution to our newspaper and know that many of our readers will share in our loss.

Mr. Harrison was predeceased by his wife, Libbie, and is survived by five children and many grandchildren and great-grandchildren, and one sister.

The funeral was held Thursday, December 5 with interment at the Carnarvon United Church Cemetery.



Bert Harrison, dead at 91.

Trails open Saturday

The Haliburton County Nordic Trail System will be officially opened this Saturday morning by Victoria-Haliburton MPP John Eakins. The member, who also serves as the Minister of Tourism and Recreation, will be on hand Saturday to snip a ceremonial ribbon marking the trails opening. Portions of the trail network have been in use for a number of years, while the association is still developing and cutting new trails for the system.

The association has been working in co-operation with the provincial government, local municipalities and the Carling O'Keefe Brewing Company to construct the system which will eventually include 200 km of groomed and track set trails.

The association will be using portions of the new trail system in January to host the Canadian Masters Cross Country Ski Championships, January 25 and 26.

Bridge costs

(from page 1)

level of the water flowing under the bridge.

But, as Davis pointed out, the stop log was not put in place until the day before the foundation of the bridge was completed. Consequently, "It took a lot more man hours to prepare the site in the morning and close it off at night," because of the high water levels, Davis said.

Clerk-treasurer Gerald Bain told Council work done to level the southern approach to the bridge added several thousand dollars to the original estimate and a further increase of $15,000 arose when it was discovered the bedrock was ten feet lower than expected, necessitating an excavation of fifteen feet instead of five.

Bain reported the cost to date of the construction is $107,000 and it is expected a further $30,000 will be spent on the deck, railing and additional work on the roadway.

The project is expected to be completed in the spring of 1986. Following the reports, Council authorized a request for a subsidy from the MTC for an additional $25,000. If the request is granted the MTC will provide $14,000 and the remaining $11,000 will be financed by the township.

Council was also informed an engineering study on the St. Peter's Bridge would begin on December 6. The single lane steel structure has aroused concern from many residents of the township because of deterioration.

Trustee resigns

(from page 1)

she had been unable to get a definitive answer from the Ministry regarding her status.

"It is all rather vague. They (The Ministry of Education) think there is a problem but they are not sure," she commented.

She said she has received a letter from Ronald Swain, the lawyer representing the Victoria County Board of Education that includes a quotation of the Education Act defining a resident as being, "a resident within the areas of jurisdiction of the Board."

Mrs. Valentine told The Times she has received a lot of support over the issue from residents of Norland and the townships, but has decided not to accept the position and has notified the Board of Education of her decision.

"I really don't want to make a big fuss over this," she commented.

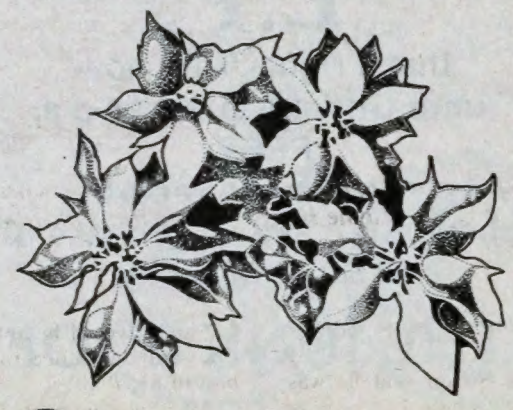
Sharing Christmas

A special salute to those organizations who are currently engaged in an effort to assist the needy of our community.

We refer, in particular, to the work of the Minden firemen in collecting non-perishable food items for distribution at Christmas time. They are working with municipal law-enforcement officer Dick Schell to ensure no family endures a hungry Christmas morning.

Christmas always brings out the best in people. The community is fortunate to have these individuals and organizations in place to assist at this time of the year. We encourage everyone to share the spirit of Christmas.



Speak out

In addition to providing information about the community we serve, an important duty of this newspaper is to comment on issues of the day. We invite our readers to speak out as well, on matters they feel need airing.

Letters to the editor attract high readership, offer differing points of view on issues of importance and offer the opportunity for a free exchange of ideas, a vital part of a democratic society. This newspaper will always respect the right of citizens to be heard, within limits dedicated by legal restrictions and good taste. We ask that writers be willing to allow their names to appear with their letters.

letters letters letters

Editor:

Please find enclosed a letter I have forwarded to The Honourable Ed Fulton in regard to his review of field signage.

Thank you for your attention.

Ken Fielding

Dear Sir:

I would like to contribute some information to your review of the field sign policy.

I own and operate three fast food restaurants in Haliburton County employing 25 to 30 people and field signs are a major part of our advertising program.

The decision to eat out in a large majority of cases, is made very shortly before the occasion and these signs are an effective method of attracting consumers.

We depend on cottage and transient tourists for a large part of our livelihood. Without their business, we could not exist. This particular market is virtually impossible to advertise to except for highway signage.

We have suffered through a very serious recession, during which tourism in general diminished. Winter traffic counts on Highway 35 are one-half of what they were before the recession. Perhaps the increase in signage is due to businessmen's reaction to the recession. I'm also quite sure some of the signage in our area is due to the fact that Highway 121 intersects Highway 35 from the east, twice within 3 miles.

There are many field advertising regulations at the present time and I feel they are quite adequate. I also strongly believe that field signs and signs allowed under encroachment permits are a necessity in this tourist area.

As is the case in many situations there are two sides and I thank you for your attention to the businessperson's perspective.

K.A. Fielding
Owner - Dixie Lee,
Pizza Heaven Restaurants

Editor:

Christmas is an opportunity to do something special for people with special needs, and that is a very good way to keep the true spirit of Christmas going at a time when it tends to be lost.

Our mail boxes seem to be filled, not only with commercial advertising, but with all kinds of appeals for help from various charitable organizations, some of them genuine and others maybe of doubtful validity.

I would like to suggest one way of reaching out to help the needy of the world; one which has a local significance. I refer to the H.A.V.E. committee, Help A Village Enterprise, which

outdoors

Federation of Ontario Naturalists

"A ravening beast, feigning itself gentle and tame, but, being touched, it biteth deep, and poisoneth deadly." That's how Reverend Topsell, a 17th century naturalist, described one of Canada's commonest mammals, the short-tailed shrew. This bit of European folklore about the poisonous bite of the shrew was dismissed by serious scientists until 1942, when Dr. G.P. Pearson discovered that the shrew's saliva does contain a poisonous compound similar to cobra venom. While this poison is usually employed to help subdue a shrew's prey, it can also cause local swelling and pain in humans.

Fortunately, the chances of being bitten by a shrew are remote. A velvety mouse-like creature barely five inches in length, the short-tailed shrew spends most of its time in underground burrows. While usually a shrew will construct its own tunnels in the soft leaf litter of the forest floor, it will also make use of the tunnels of other species, or even hunt occasionally above the ground. A shrew may share its underground nest with a few others of its kind, and mated pairs seem to stay together for some time.

Shrews are active year-round, and feed frequently around the clock. Their diet makes them an economic asset for man, for they destroy forest insects in great quantities. Close to half of their diet consists of insects, with the remainder including a variety of worms and invertebrates, and even meadow moles when these are common. One of their more interesting feeding habits is the hoarding of woodland snails, which they store live in their subterranean chambers. The small piles of snail shells sometimes seen on the forest floor could be the discarded remains from a shrew's feast.

Short-tailed shrews are found in deciduous woodlands across eastern North America, with an acre of woodland containing anywhere from one to eleven shrews. If you happen to find one, its velvety grey fur and pink snout, tail, and feet will soon mark it as a shrew. With a pair of gloves and reasonable care there is no reason to fear the poisonous bite of this fascinating creature.

Tradition, ceremony greet new councils

While the style and substance of the inaugural council meetings held throughout the county last week may have differed, the meetings all combined tradition, ceremony and practical business.

The first order of business at the meetings was the declaration of elected office and oaths of allegiance and, in the three meetings attended by The Times, the ceremony was conducted differently, based on long standing practice.

At the Lutterworth Council Chambers Tuesday, December 3, the council members placed their hands on a bible held by clerk-treasurer Wayne Hughes and recited the declaration and oath in unison.

Following the opening ceremony, council discussed appointments to the various municipal committees, passed a borrowing bylaw, established signing authority for cheques issued in the name of the township and were informed of upcoming seminars and meetings of interest to the members.

Council also agreed to continue holding regular council meetings on the third Thursday of each month at 7 p.m. and a bi-monthly meeting a week from the following Tuesday at 4:30 p.m.

In a variation on the opening proceedings, the clerk-treasurer of Stanhope Township, Gerald Bain, read aloud the declaration and oath of allegiance and each member signed the document before him or her.

Alex Stevenson, a long-time resident of the township who regularly attends council meetings as a spectator, welcomed the new council as he has done in the past. Stevenson described the members as being rich in experience in municipal government with the exception of councillor C. Jock Mavor who, as Stevenson noted, is well versed in community affairs.

The electors who chose the present council will be well served if the members continue to hold open door meetings as in the past, Stevenson declared. He concluded his brief remarks with a prayer asking for strength and guidance for the newly-elected council.

Reeve Harry Davis welcomed the new council describing the members as a good cross section of minds and individuals and said he hoped council would endeavour to consider all options and use common sense during their term in office. "I am looking forward to three years of good discussions and good decisions as we strive to improve things," he commented.

Council members were then introduced to the Ontario Provincial Police liason officer Mike Maybee who discussed various concerns with council. After the presentation, council considered a resolution requesting a subsidy on the Buckslide bridge then adjourned the meeting.

The regular meetings of Stanhope Council will continue to be held on the first or second Wednesday of each month.

Anson, Hindon and Minden

Nearly 20 people were on hand at the Anson, Hindon and Minden municipal chambers as the council was formally ushered into office.

Reverend Clyde Westhaver of Minden United Church welcomed the assembly and gave a brief address before offering a prayer of blessing to the council. He urged council to deal with all people with mercy, compassion, understanding and fairness as they carry out their term of office.

Noting that all members had chosen to run of their own free will, he pointed out the position will, at times, require sacrifice and he asked the members to be faitful to Christian ideals.

Following the blessing, council repeated their declarations of elected office and their oaths of allegiance to The Queen.

In a ritual similar to the marriage ceremony, clerk-treasurer Bev Millar read aloud the statements and the members repeated in unison after each phrase.

Following the ceremony, Reeve Sinc Nesbitt welcomed the spectators and said he was anxious to get on with business. He urged people to continue to attend council meetings and said that if anyone thought he or she was being treated unjustly by the municipality, to write a letter to council and it would be included on the agenda.

Bern Berry, who was later chosen as deputy-reeve, told the gathering he hoped council would act as a team to straighten out the things they felt were wrong and that no member of council would make deals individually.

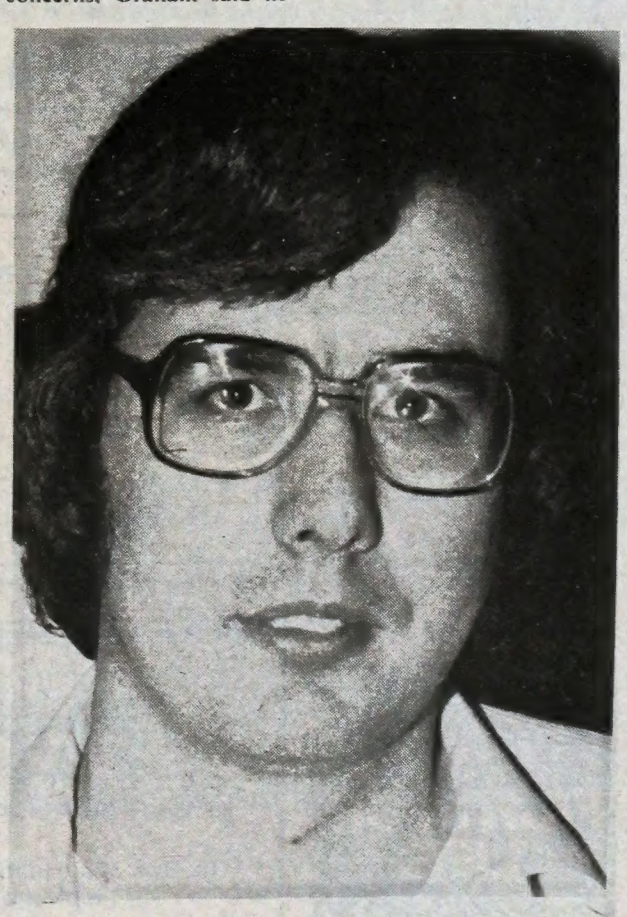
Bob Sisson said he was looking forward to helping and said that while he has a lot to learn, he felt he would learn a great deal from the reeve.

Verne Graham told the gathering he was honoured to serve the ratepayers and thanked those who supported him in the election. Noting council was in office to deal with people's concerns, Graham said he hoped he would be able to carry out his office to the best of his abilities.

After the comments from the council members, Reeve Nesbitt called a brief recess to allow the public to speak individually to council members and announced council would form a committee of the whole following the break to discuss the problem presented by the vacant deputy reeve's chair.

Swearing their oaths of office on a bible held by clerk-treasurer Wayne Hughes are members of Lutterworth council, clockwise from left foreground, councillor Elizabeth Wright, Wayne Hughes, reeve Bill Valentine, deputy reeve Carol Puffer, councillors Al Stott and Lisa Mercer.

Framing the woodcarving depicting a pioneer Stanhope council meeting are the newly elected members of council, from the left, councillor Jim Harrison, clerk-treasurer Gerald Bain, deputy-reeve Elvin Johnston, reeve Harry Davis, councillors Ann Barker and C. Jock Mavor.



Andon, Hindon and Minden councillor Royce Miller.

Juveniles romp to 18-3 win, then lose 8-3

The Minden Monarchs overpowered the visiting club from Bewdley on Friday at Minden arena but found themselves in a losing situation a scant 24 hours later when they were defeated 8-3 in Sunderland.

With manager Bob Wells behind the bench and playing in front of their loyal home town fans on Friday, the Monarchs romped to an 18-3 win over the hapless Bewdley players.

Dennis McKee set the tone of the game when he scored on a breakaway after 15 seconds of play. Lennie Johnson added another marker before the first minute was up and Minden went on to score six unanswered goals before Bewdley notched a single marker to end the period.

Scoring in the first frame were Lennie Johnson with a hat trick, Dennis McKee, Barry Boice and John Wells with singles.

Assists went to captain Jeff Howe with four, and Gord Wood, Greg Newell, Scot Hamilton and Lennie Johnson with singles. .

Jeff Howe wasted no time in the second period as he scored two unassisted goals in the first minute and a half of play while the Monarchs were playing shorthanded.

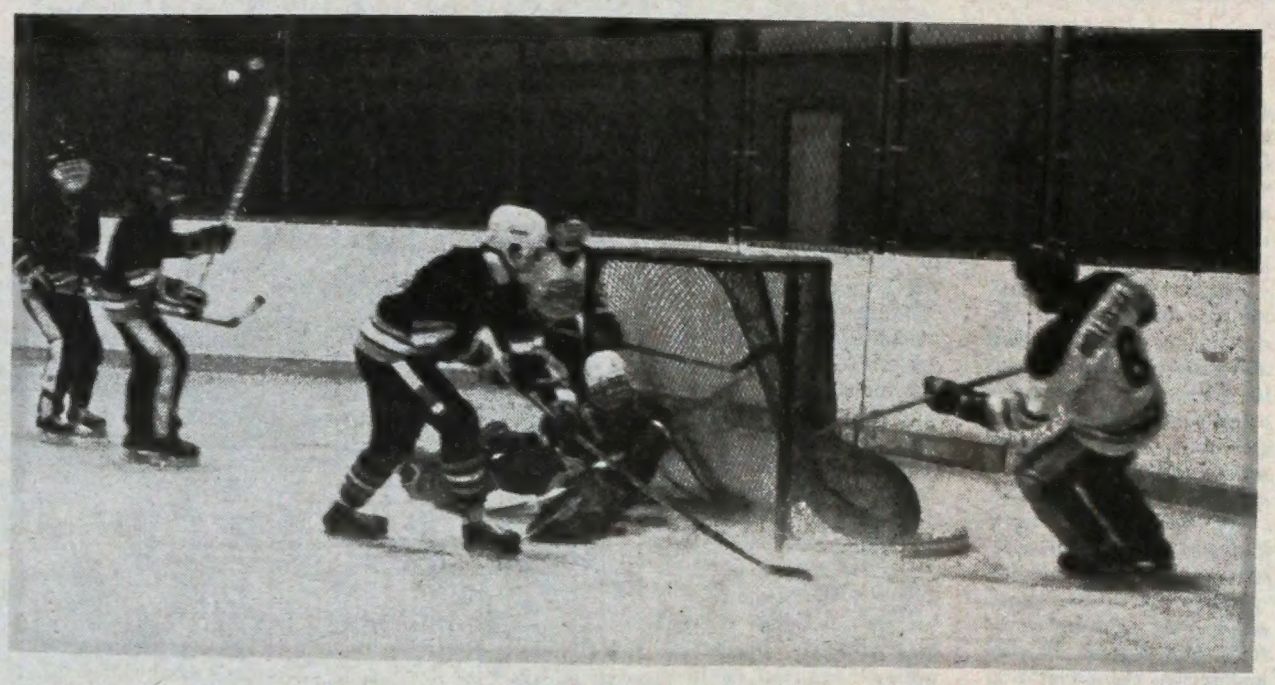
Minden continued to add to the point total and ended the period with a 15-3 lead. Scoring for the Monarchs were Jeff Howe with a pair, Dennis McKee with a pair to complete his hat trick and Scot Hamilton, Bernie Upton, Doug Schell and Greg Newell with singles. Assists went to Jeff Howe, Lennie Johnson and Greg Newell with two apiece and Dennis McKee and Barry Boice with singles.

Enjoying a comfortable lead to say the least, the Monarchs muffled their attack and added only three more goals in the final frame. Barry Boice notched two of the markers while Lennie Johnson added a single to raise his total goal production in the game to five. Assists went to Scot Hamilton with a pair and Jeff Howe, Dennis McKee and Bernie Upton with singles.

One day later

The tables were turned on Saturday when the Monarchs were hosted by Sunderland and the Minden club went down to their second defeat of the season.

Greg Newell opened the scoring at the 12:51 mark on an unassisted goal but Sunderland tied the score two minutes later then went ahead 2-1 at the 6:39 mark.



Minden Monarch forward Barry Boice glides past the Bewdley goalie after tucking the puck into the bottom corner of the net during Juvenile action at Minden arena on Friday. The Monarchs met little opposition from the visitors as they coasted to an 18-3 victory.

Jeff Howe knocked in a shot on a pass from Doug Schell and Dennis McKee to tie the game before the period ended.

Sunderland regained the lead midway through the second period but the lead was shortlived as Scot Hamilton made it three all after taking a pass from Barry Boice and Greg Newell.

The rest of the game belonged to Sunderland as they scored five unanswered goals to win the game 8-3.

The officials were kept busy throughout the game assessing 32 minutes in penalties to Sunderland and 38 minutes in minors to the Monarchs. Barry Boice and Bernie Upton were handed game misconducts and coach Jerry Campbell was also ejected from the game for his comments on the officiating.

The Monarchs will be without the services of their coach and the two ejected players as they take on Omemee on Wednesday, December 11. Friday December 13 the Monarchs will host Fenelon Falls at Minden arena. Game time is 8 p.m.

The two teams are well matched and have built up a strong rivalry over past seasons. It should be an exciting game.

HCSA will host Snocross

The Haliburton County Snowmobile Association (HCSA) will again be promoting an Ontario Racing Federation (OSRF) sanctioned snowmobile snocross on Minden Winter Carnival weekend.

In conjunction with the pro snocross, the HCSA will also host the very succesful Junior Amateur Competition Circuit for aspiring young snowmobile racers. This Bombardier Ski-Doo sponsored event was won last year by local racer Dave Schell who went on to capture the grand prize and national championship in Val Court, Quebec.

Snowmobilers should have a full slate of related activities at this year's Winter Carnival with the HCSA's Snocross, Junior Amateur racing and the Snowerama for Timmy.

Police continue spot checks

Squads of Ontario Provincial Police officers have once again taken to the Highways throughout the Peterborough District, which includes the Minden detachment. According to local Community Services officer, Constable Gary Chapman, the squads have already made their first visit to this area.

The ten officers set up a number of roadblocks in the Haliburton County area Sunday evening. Some 334 vehicles were stopped, but no liquor related charges were laid.

Chapman speculated that the fact there were no charges laid could reflect on the generally quiet nature of Sunday evening, or perhaps an increased awareness on the part of the public of the dangers associated with drinking and driving. Stricter fines and licence suspensions introduced December 1 by the federal government could also have had an impact on the situation.

Without drawing any conclusion, Chapman commented,"...it is a very encouraging trend."

Fatalities up

While the public appears to be taking greater care on the roads in regard to drinking and driving, the Minden detachment's traffic fatalities reflect a different situation.

According to the OPP, the county has seen eight individuals lose their lives in traffic fatalities this year. This represents a dramatic 100% increase over the number of fatalities in 1984.

The records show there were five traffic accident deaths in 1983, only three in 1982 and four the year prior to that.

The police statistics, which have been compiled to the end of November, also show a 12% increase in the number of persons injured in traffic accidents so far this year. 242 individuals have been hurt in highway mishaps in the first elevent months of 1985.

Driver charged

A Barrie driver has been charged with failing to yield the right-of-way at an intersection following an accident Saturday Afternoon.

David Solnik, was the driver of a car which was in collision with another being driven by Rachelle Duffas of Bobcaygeon. The mishap occurred at the intersection of Highway 35 and Newcastle Street.

According to the police, Duffas was southbound on Highway 35 when her vehicle was struck by another driven by Solnik. The collision resulted in $15,000 damage to the Duffas vehicle while the Solnik car sustained $8000 damage.

Travelling with Duffas was Michelle Warrens of Minden while John MacKinnon of Aylmer was a passenger with Solnik.

Solnik is the driver who will face the charges.

Constable Jim Solway is the investigating officer.

3 teams in top spot

Three teams are tied for first place in the Minden Men's Recreational League after a trio of evenly matched contests at Minden Arena, Monday evening.

A 6 - 5 win by the Rockcliffe Foamblowers over Vasey Real Estate and a win by The Times over Hall's Insurance by an identical score lifted the 'Blowers and The Times into a three way tie with Home Hardware. Each team has won five of their seven games played this season. Home lost their second game of the season to Hartwick Construction 7 - 5.

Vasey Real Estate occupies second place in the standings followed by Hartwick Construction in third and Hall's Insurance in fourth and final position.

In the first game played Monday night, Hartwick came from behind to tie the game in the third period then added two more goals to clinch the victory.

Home led 3 - 0 at the end of the first period and were leading 5 - 3 at the beginning of the third frame, but Hartwick put on a determined effort to pull ahead late in the game.

Kevin Hamilton with a pair of goals and an assist led the way for the winners. Ken Casey, Greg Carpenter and Leigh Bull each contributed a goal and an assist.

Joe Mitchell and Rick Salmon added a goal apiece to round out the scoring. Assists went to Steve Crowe with a pair and Barry Ward and Pete Pearson with singles.

Scoring for Home were Doug McNab, two goals and an assist, Dean Hewitt and Harold Cowen, a goal and an assist each, Larry Sawyer, a goal and an assist and Brent Austen and John Dettman with single assists.

Five goal spree

A five goal outburst in the final frame, pulled the 'Blowers ahead of Vasey to win the game 6 - 5 in the second contest of the evening. The game remained scoreless after the first period, then Vasey's went ahead 3 - 1 to end the second frame.

The 'Blowers evened the score with a pair of quick goals early in the final period, then Vasey's regained the lead at the 6:49 mark. The 'Blowers tied the game again then went ahead for the first time in the contest at the 3:02 mark. With 29 seconds remaining, Vasey's tied the game at five all.

In an exciting climax to the see-saw battle, Bart Hilhorst beat goalie Ross Lindsay with only one second remaining on the clock to give the 'Blowers a hard earned 6 - 5 victory.

Scoring for the winners were Jim Todd with a pair, Dave Brown a goal and two assists, Dave Petttes a goal and an assist, Al Stender and Bart Hilhorst a goal each.

Assists went to Rick Mansfield with three, Colin Wilson and Merv Mintz with singles and goalie Larry Kent also with a single assist.

Times stems onslaught

In the final exciting match up of the evening, a determined comeback by Hall's Insurance fell short of the mark as The Times picked up a narrow 6 - 5 win.

The Times held a 3 - 0 lead after one period but Hall's rebounded to tie the score at four all at the end of the second frame.

Hall's jumped into the lead at the 11:40 mark of the final period but The Times replied with a goal of their own then went ahead at the 8:15 mark and hung on to win the contest by a single goal.

Sid McKeighan and Paul Walker led the way for the winners with a pair of goals apiece. McKeighan also added a single assist. Jerry Campbell with a goal and an assist and Jim Keetch with a single goal rounded out the scoring.

Assists went to Fraser Rogers and Ted Vasey with a pair and Tim Carrol with a single.

Andy Campbell was the top scorer for Hall's with a pair of goals. John Barkwell with a goal and two assists, Lawrence Lougheed with a goal and an assist and Kevin Webb with a single marker completed the scoring.

Action resumes in the Minden Men's Recreational League with a full slate of games at Minden Arena on Monday, December 16. The first game begins at 7 p.m. There is no admission charge.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owners, those parts of the original allowance for road set out and described as follows:

All and Singular that certain parcel or tract of land and premises situate lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original allowance for road between Concessions VIII and IX in front of Lot 15 and being more particularly described as Parts 1 and 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3443.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 8th day of January, 1986 at the hour of 11:00 a.m., and at that time, the council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: November 26, 1985.

Gerald C. Bain, A.M.C.T.
Clerk of the Corporation of the
Township of Stanhope, R.R. 1,
Haliburton, Ontario. K0M 1S0

HOMETOWN Christmas

YOUR HOMETOWN

SHOP YOUR HOMETOWN

a great place ... to live, to grow, to shop.

With the Christmas season just around the corner, you are no doubt preparing your shopping list. This year, visit local shops and stores first. Local businesses are an important part of your community. They provide services year 'round, are there when you need them and have a wide selection of merchandise. Moreover, local businesses provide employment opportunities, contribute to the welfare of the community and take an active interest in the growth and future of your hometown.

Shop your hometown **FIRST**

HOMETOWN Christmas

The third winner in our Hometown Christmas draw is Mrs. Alice Langdon of R.R. 2, Minden. Her ticket was drawn by Mr. Andrew Campbell of the L.E.A.D. Corporation at The Times office in Minden Tuesday afternoon.

Grants, grants, grants

Just in time for Christmas a series of federal grants has been announced by Victoria-Haliburton MP. Bill Scott.

The grants are being awarded to municipalities and businesses in the riding under a number of programs, all related to employment creation.

Under the heading of Job Development Projects, Scott recently announced that some $143,000 was awarded to the municipality of Dysart et al, $109,000 to Bart Industries in Cardiff and Turbofuro Industries of Burleigh Falls will receive a grant of $32,000. According to the press release, "Job Development is one of the key components of the Canadian Jobs Strategy announced by the federal government last June. The object of the Job Development is to develop the long-term labour market potential of Canadians who have been unemployed for a long period of time."

Under job creation programs covered by Section 38 of the Unemployment Insurance Act, Scott announced another three grants. The Lovesick Lake Native Women's association will receive $29,980 in funding, the Ross Memorial Hospital will receive $6,900 while $10,493 has been approved for the township of Bexley.

The third series of grants are being awarded under the Local Employment Assistance and Development projects, better known as LEAD. The Haliburton County Development Corporation will be receiving a grant of $44,950. Meanwhile the Georgina Association for Business will receive $334,720 over a two year period.

Centre provides programs

by Bruce Armstrong

Seniors, and potential Seniors, should have heeded the advice of that famous author, Anonymous, who wrote "You should have two aims - to make a little money first, and then to make it last."

We are pleased to see Woodcraft by Arc back on Main Street for the Christmas shopping season. Do visit their shop and browse around.

Mrs. Elva Robinson, treasurer of Home Support, member of the Ontario Senior Games committee, bridge enthusiast and chief factotum for the Centre's Christmas luncheon on December 16, urges all activities members to confirm their attendance by December 11. It promises to be a good day. Seniors should note that the Tuesday bingo is on hold until the new year while the other groups continue as per their own arrangements.

The 1986 winter-spring International Catalogue from Elderhostel is now available at the Drop-In Centre, and your local Library branch. Iceland is the latest to join and there are now 22 countries listed, besides the U.S. and Canada, ranging from Australia to Egypt to Sweden.

A Merry Christmas to all from the Drop-In Centre volunteers and good health and happiness in the New Year.

CHACE news

by Eric Lilius

This December is a time of change and activity at CHACE Place. Marilou is now on maternity leave for 4 months. We wish her a safe and happy birth.

We have two new staff members. Betty Giuliano comes to us from Windsor and brings years of teaching and day care experience. She is a storehouse of songs, games, and craft ideas. She will be taking on some of the administrative work as well. Helen Robertson also has a background in early childhood and day care. Together they will bring new energy and valuable knowledge. Come in and meet them!

Christmas is a comin' and there are lots of activities. This week we will be makig cookies to cut out on Wednesday and decorating our tree and singing carols on Friday. Next week, there are Christmas videos and a cookie exchange on Monday and the Christmas Party on Friday. Santa will be here!

Anyone who wants to participate in the cookie exchange must bring in 8 dozen cookies of the same recipe with the recipe in each dozen. Bring the cookies at 10:00 on December 16. The exchange starts at 10:30.

CHACE Place will be closed from December 21 - 29 and on January 1 and 4. We thank you all for your support over this year and wish you a safe and fulfilling holiday.

SNOW PLOWING
Service available.
(Backhoe & 4 x 4)

Please call
JERRY HARRISON
286-3732 after 5:00 p.m.

TIMBER SALE

Tenders will be received by the Ministry of Natural Resources up to and including Tuesday, January 7, 1986 at 12:00 noon local time for the right to cut timber on part of Lots 9 & 10, Concessions VII & VIII, Hindon Township, County of Haliburton.

This tract contains an estimated 893 cubic metres (192,000 f.b.m.) of sawlogs and 1525 cubic metres (585 cords) of fuelwood.

Further particulars and tender forms may be obtained from the District Manager, Ministry of Natural Resources, Minden, Ontario K0M 2K0, Telephone: (705) 286-1521.

Highest or any tender not necessarily accepted.

Got the word this morning that Santa Claus will be arriving at Stedmans in Minden this Saturday, December 14. Santa will be in the store from 10 a.m. to 12 noon and from 1 to 3 p.m.

* * *

The congregation of Minden United Church shared a superb potluck supper in the church basement before proceeding upstairs to join in the annual Christmas White Service last Sunday. Members of the senior Sunday School class led the services and the younger members performed the traditional Christmas story for the appreciative audience. As always, the kindergarten class brought the house down with their performance. This year's babe in the manger was Mathew Douglas, son of Doug and Donna Reinwald and he behaved beautifully. Various young people displayed their talents with piano solos. Mrs. Jean Cox and her hard working Sunday School teachers and assistants are to be congratulated on the hard work they evidently put in with the youngsters. The highlight of the evening was the noisy arrival of Santa. Instead of the traditional bells heralding his coming, the blare of a klaxon rent the air, much to the delight of the youngsters. A most enjoyable evening and certainly one we look forward to year after year.

* * *

Thursday card party winners at St. Paul's last week were lone hands Ida Holmes while other winners included Shirley Elcome, Joyce Hewitt, Orval Francis, Betty Harper (man's). We understand they had a lovely potluck luncheon which was enjoyed by all.

* * *

The Minden Women's Institute Christmas party will be held at the United Church Wednesday December 18 at 2 p.m. Roll call will be a Christmas verse and there will be a gift exchange. All ladies are welcome.

* * *

Don't forget the Rotary bingo on Tuesday, December 17 at 7 p.m. in Minden Community Centre. There will be all kinds of games and prizes including turkeys, hampers and cash. You know, it's true what they say, it is more than just an evening out! Join in the fun and support your local service group at the same time.

* * *

We were very happy to hear that Hal Burton is back in the area and feeling much better.

* * *

Club 35 card party winners on Monday night included: most lone hands - Ralph Schad, high lady - Shirley Bunker and high man - Bill Cowen. The door prize was awarded to Wally Harpur and other winners included Eleanor Bunker, Jack Weekes and Hal Burton.

* * *

Sincere sympathy to the families and friends of Mrs. Roy Crawford, Mr. Pat Moore and Mr. Bert Harrison who all passed on recently.

* * *

In Memory of Uncle Bert Harrison

I'll miss my dear uncle so very much,
He was always good to keep in touch.
He was very well liked at Hyland Crest,
To help entertain he was one of the best.
Years ago when they lived at Glenarm,
We liked to visit them down at the farm.
They had a nice family one girl and four boys,
I'm sure that they brought them all kinds of joys.
So now that his labours have come to an end
I'm sure that many will miss a good friend.

His niece,
Florence Robinson

senior league

Dear readers: It is with deep regret that we inform our readers that Mr. Bert Harrison, who has written the Senior League since 1981, has recently passed away. We know that you will all miss Bert's unique style of writing and his good humour, as we will at Hyland Crest. The residents and staff of Hyland Crest would like to extend a sincere sympathy to Bert's family in their recent loss.

The Senior League column will be continued by Edna Cowan who has done a super job filling in for Bert during his illness. We hope you will all continue to read the news from Hyland Crest.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: Why did Santa Claus throw his clock out the window?
A: Santa wanted to see time fly.

* * *

Q: Why does Santa make a mistake when he puts on a shoe?
A: Because he puts his foot in it.

* * *

Q: When does Santa's bed change size?
A: At night, when two feet are added to it.

* * *

Q: What can Santa give away and still keep?
A: A cold.

* * *

Q: What does Santa use to raise corned beef and cabbage?
A: A fork and knife.

* * *

Q: What has ears but can't hear?
A: Corn.

* * *

Q: What goes in one year and out the other?
A: A new year's resolution

* * *

Q: What animal doesn't play fair?
A: The cheetah.

* * *

Q: How can you spell hard water in three letters?
A: I.C.E.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON & MINDEN

NOTICE
(FILE 13-85)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Mountain Lake lying in front of Lot 9, Concession 9, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on Thursday, January 9th, 1986, at the hour of 10:00 a.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows:-

Parts of the original allowance for road along the shore of Mountain Lake in front of Lot 9, Concession 9, in the Township of Minden, in the County of Haliburton, designated as Part 1 on a plan of survey by Bishop & Wilson Ltd. dated February 4, 1985. (A copy of the survey is available for examination at the Municipal Offices during regular business hours).

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 2nd day of December, 1985.

(Ms.) B.A. Millar, A.M.C.T. (A),
Clerk-Treasurer,
Townships of Anson, Hindon & Minden,
P.O. Box 98, Minden, Ontario

For reservations, call 286-1081, Minden, South Lake Road.

Minden rink places third

The Vicki Sarrel rink of Beaverton captured the Women's District 12 championship at the Minden Curling Club last week. The winning rink comprised of Vicki Sarrell, Kathy Brown, Lynne Sorrell and Debbie McPhadden were the top junior women's rink in the province last year and despite their age, are seasoned veterans on the international circuit.

Nine teams from throughout the district took part in the four day double knockout event.

Lindsay placed second after being defeated in the final game on Thursday afternoon.

The Minden foursome of skip Cheryl Murdoch, vice Gwen Cox, lead Marion Anderson and second Dianne Warnes placed third.

The local team were defeated by the eventual champions on Tuesday but staved off elimination by defeating Lindsay on Wednesday morning. However, on Wednesday afternoon, Lindsay captured a win over Minden to advance to the finals.

Thursday morning Lindsay handed Beaverton their only loss of the tournament but the young Beaverton foursome rebounded and clinched the final match-up by a wide margin to capture the championship.

Three members of the rink representing the Minden club in the District 12 Bonspiel and the Lindsay skip, keep a close eye on the rock delivered by Dianne Warnes in a semi-final game played Wednesday. The team placed third in the 4 day event. Team members include, from the left, vice Gwen Cox, lead Marian Anderson, Lindsay skip and skip Cheryl Murdoch.

Senior curlers

submitted by Pat McCarthy

The Minden Seniors Curling Club held its "mixed curling fun day" last Sunday December 8 with a "pot luck supper" at our Minden Curling Club! Ninety people turned out for just a super day of curling and fellowship.

Four draws were played consisting of fourteen teams! Two teams tied for first place, and consisted of the following members: Lois Adamson, Herb Bill, Dave Shuyler, Ross Codlin. The other team included: Ursula Dymott, Phil Graham, Luella Yearwood and Pat McCarthy. Second place finishers were: Tony Dymott, Doris Hart, Roy Windover and Ralph Kennedy.

We wish to express our thanks to the following Minden merchants for donating prizes for lucky draws: Home Hardware, Dollo's I.G.A., Easton's Valu-mart and the I.D.A. Drug Store.

Many thanks to the Minden Curling Club for the ice time, and to the club stewards, Bill and Margaret Harrison, for a job well done as always.

AT REST

HARRISON
Bert
- at Minden Hospital on Tuesday, December 3rd, 1985 in his 92nd year, dear husband of the late Libbie Harrison (nee Rogers), dear father of Raymond of Hartley, June (Mrs. W. Mason) of Boshkung, Nelson of London, Verne of Toronto and Roger of Oshawa, fondly remembered by many grandchildren and great grandchildren, dear brother of Pearl and Myrtle. Resting at the Gordon A. Monk Funeral Home, Minden, from 2 to 4 and 7 to 9:30 p.m. Wednesday. Funeral service in the chapel on Thursday, December 5th, 1985 at 1:30 p.m. Interment Carnarvon United Church Cemetery.

MOORE
John Patrick
- at Ross Memorial Hospital, Lindsay on Thursday, December 5th, 1985 in his 71st year, dear husband of Nancy (nee Middleton), loving father of Sandra of Toronto and Patricia of Toronto. A private family service was held on Friday at the Gordon A. Monk Funeral Home, Minden.

CARD OF THANKS

We would like to thank everyone for their kindness and thoughtfulness during our recent loss.
Ken, Marilyn & kids

I would like to thank family, relatives and friends for cards, phone calls, gifts, prayers and visitations when in hospital and since coming home. Thanks to the ambulance drivers who took me to Minden and Lindsay. Special thanks to Dr. Holliday-Rhodes and nurses, Dr. George Winters and nursing staff of Intensive Care Unit and floor 2:102.
Elgin Sedgwick
